

Jeong-Rim Lee, MD, PhD

Dr. Jeong-Rim Lee is currently a professor at the Department of Anesthesiology and Pain Medicine of Yonsei University College of Medicine. She graduated from Seoul National University College of Medicine in 2001 and obtained her Ph.D. at the same university in 2006. Dr. Lee specializes in pediatric anesthesia and is the Division Chief of Pediatric Anesthesia at Severance Hospital. Her clinical and research interests include respiratory complications, airway management, and postoperative analgesia in pediatric patients undergoing abdominal, urologic, and endoscopic surgeries.

Dr. Lee is the Program Chair of the 2023 annual conference of the Asian Society of Pediatric Anesthesiologists, Director of Academic Affairs of the Korean Society of Pediatric Anesthesiologists (KSPA), Director of Publication of the Korean Society of Anesthetic Pharmacology (KSAP), and Director of Cooperation of Korean Society for Airway Management. In addition, she is an editor of Anesthesia and Pain Medicine (APM) and the Yonsei Medical Journal (YMJ).

Besides medicine and anesthesia, Exploring the world and playing golf at distinctive, local venues are passions she loves to indulge in.
