

For ASPA 2023 in Seoul
Soichiro Obara, MD, DrPH (Japan)
As of December 29, 2022

Soichiro Obara, MD, MPH (Japan)

Working title of my talk:

"It's Time to Obtain Epidemiologic Data on Pediatric Anesthesia in Asia Itself: Introduction of PEACH Study"

(14:40 – 15:00 on Saturday, June 17, 2023)

Designation and Affiliation:

1. Consulting Anesthesiologist, Department of Anesthesia, Tokyo Metropolitan Ohtsuka Hospital, Tokyo, Japan
2. Visiting assistant professor, Teikyo University Graduate School of Public Health
3. Executive Committee member, the Asian Society of Pediatric Anesthesiologists
4. Research Special Interest Group member, the Asian Society of Pediatric Anesthesiologists
5. Liaison Committee member, the Japanese Society of Pediatric Anesthesiologists

Contact address:

2-8-1 Minami-ohtsuka, Toshima-ku, Tokyo 170-8476 Japan

Department of Anesthesia, Tokyo Metropolitan Ohtsuka Hospital

Cell phone number: +81-90-5550-8083

E-mail address: soichoba1975@gmail.com

My short biography:

Dr. Soichiro Obara is a consulting anesthesiologist who has been previously trained in SickKids hospital, Toronto, in Canada between 2011 and 2014, and has been working in Japan since then. He has worked on the issue of underdevelopment of pediatric sedation outside the operating room in Japan and received a Doctoral degree of Public Health for his research on cost

effectiveness analysis of pediatric sedation in Japan. He has been dedicated himself as one of executive committee members and research special interest group members of Asian Society of Pediatric Anesthesiologists. Now he has been working mainly on the project of prospective multinational multicenter observational study to investigate epidemiology of severe critical events in pediatric anesthesia in Asia.
